## Flyer Evaluations

Flyers are the most emotionally demanding positions on cheer teams and require dedication outside of practices. To provide an optimal environment, potential flyers may be asked to attend additional evaluation times between June 3 and June 12. During these times, flyers may be asked to stunt with the coaching staff and/or specially selected stunt groups to provide a more fair evaluation of their abilities. In addition, it will give the coaching staff additional time to gauge the potential flyer's maturity, dedication, flexibility, balance, air awareness, physical features, personality, and poise that factor into the final decision-making process.

## Evaluation Costs

### Returning Athlete

Must have completed the 16-17 UMAS season and all payments must be current.

Before May 13 Free  
After May 13 \$20

### New Athlete
