General Information

UMDGC has a gymnastics program for everyone! Recreational classes, advanced non-competitive classes, competitive teams, boys, girls, ages 3 to 93 – you will find something that meets your needs at UMDGC. All our programs are designed for skill progression and achievement through repetition and skills testing.

All gymnasts new to UMDGC will start at Intro Gym 1. Once the gymnast masters nearly all the skills on a level, they will be tested by a UMDGC Supervisor. If the athlete passes their skills test, they will be able to start working on the next level of skills within their current group. Occasionally, the gymnast may be able to switch to another group of the new level if limits permit and it is not a disruption to the new group.

If the participant has previous gymnastics experience, it is highly recommended to be evaluated **PRIOR** to registering for any classes. You can schedule an evaluation by contacting the UMDGC Front Desk at frontdesk@umdgc.com or 610-731-0022. The chart below shows how the levels progress and the correct classes to choose.

Participants must be potty-trained; no diapers, pull-ups, or training pants permitted. **Special Registration Note:** Gymnasts that are 5 years of age **and** who have passed their level 1 test may enroll in the Ages 6-12+ Introductory

ADVANCED INTRO CLASSES

The UMDGC Advanced Intro Classes are designed as an accelerated class program for those that have an aspiration to be on the gymnastics teams. We accomplish this through:

1. Instruction by the most experienced class staff and team coaches.
2. Being longer duration where possible.
3. Being held at off-peak time when possible to maximize the amount of space available for additional side stations and to minimize distractions.
4. Focusing solely on the events the athlete would compete, plus trampoline and tumbltrak, in order to reduce the number of skills that are required to progress to preteam. If the gymnast enrolls in the intro program, the normal skill sheet will be utilized.

Requirements: Must have passed Intro Level 2. **Attire:** Leotard, t-shirt, athletic shorts, or sweatpants with elastic waistband or drawstring. Bare feet or footless tights/leggings; no socks or shoes permitted. Hair must be tied back so it is out of the participant's eyes. **Max Ratio:** 6. **Credits:** Base \$20; Max 2.

TOPAZ

UMDGC's Topaz class is designed for female gymnasts of all ages (including adults) who are eligible for USAG Xcel or Developmental teams but are not interested in competing or are unable to make the commitment to join the team. The class will focus on skills at the level that the gymnast would be competing. Skill advancement in Topaz does not change their level eligibility within the USAG competitive programs. **Requirement:** Females of any age who are eligible who have passed Girls Preteam 1 or competed in a USAG or USAIGC program in the past who do not wish to compete, or by coach's invitation. **Attire:** Leotard, t-shirt, athletic shorts, or sweatpants with elastic waistband or drawstring. Bare feet or footless tights/leggings; no socks or shoes permitted. **Max Ratio:** 8. **Credits:** No credits offered for missing classes.

TOPAZ SCHEDULE WILL BE FINALIZED IN MID-MAY, ONCE PART-TIME STAFF AVAILABILITY IS KNOWN.

Preteam Classes

BOYS PRETEAM

Boys Preteam classes are designed for gymnasts interested in joining UMDGC's boys gymnastics team. These classes will focus on the boys gymnastics equipment: Floor, Pommels/Mushroom, Rings, Vault, P-Bars, and High Bar, plus some trampoline and tumbltrak. Gymnasts will learn all the skills required to compete USAG Developmental level 3. There is a greater emphasis on form and technique, and an introduction to flexibility and strength training. Due to the greater emphasis on skills versus recreation, groups are split solely by skill level and number of skills achieved. **Requirements:** Must have passed all the skills for Intro Gymnastics 3. If you have experience at another gym and feel that your gymnast is ready for UMDGC's preteam program, please contact us to set-up an evaluation time. **Moving to Boys Team:** To move to UMDGC's team for the upcoming season, the gymnast must pass a test of Preteam skills no later than mid-August. Once the gymnast has passed the skills test, he may officially join UMDGC's gymnastics team between June and August. **Attire:** T-shirt, athletic shorts, or sweatpants with elastic waistband or drawstring. Bare feet. **Max Ratio:** 7. **Credits:** No credits offered for missing classes.

**DURING THE SUMMER, BOYS PRETEAM TRAINS WITH THE BOYS TEAM AT CAMP OR DURING THE EVENINGS.

SUMMER PAYMENT OPTIONS

There are two payment options available from June 2 to August 15. Every athlete that attends must have one of these payments on their account **PRIOR** to attending practice. If you wish to switch between weekly and daily payments due to a change of vacation plans, please complete and confirm a UMDGC Request Form from the top left of www.umdgc.com.

- **Daily Pass:** This allows those attending one or two practices due to vacations or special events to attend without having to pay the full week's rate. Please note that the daily rate is higher than paying the weekly rate once you exceed two or more practices.
 - To purchase a Daily Pass: Log into your iClassPro account -> Click on ProShop -> Passes -> Select the pass from one of options or groupings that are visible.
 - To redeem the pass prior to attending practice: Account -> Find the athlete -> Passes -> Use for a Class -> Find the practice date and level you wish to attend and click to enroll.
- **Weekly Rate:** The weekly rate will provide significant savings over the daily rate if attending more than 1 or 2 days per week.
 - To purchase: Log into your iClassPro account -> Classes, Teams, Open Workouts & More (computer) or Bookings (app) -> Summer Gym Team -> Select the gymnast -> Selection the week -> Enroll Now -> Answer the question if there is any -> Add to Cart.
- **All-Summer Rate:** This will save you 25% off the total of 11 weeks of the summer payments. Payment will be processed through PayPal, not through iClassPro. This rate is available for a very short period of time after the release of the summer schedule. If you wish to use UMDGC Credits, make the purchase through PayPal portal. Once the office staff has entered the corresponding weeks into iClassPro, we will refund you the amount of your credits. This will take up to one business day.

AUTOMATIC PAYMENTS

There are no automatic payments available for summer practices due to scheduling conflicts with the many special events and family vacations in June to August. It is the responsibility of each gymnast's family to go into iClassPro and make the necessary payments PRIOR to attending practices.

FREE OPEN WORKOUTS

UMDGC offers free open workouts to all members of the team programs. Each athlete that makes payment for team before the first day of practice will automatically be issued a pass for the upcoming school year (Labor Day thru Memorial Day) or summer (Memorial Day to last day of summer programming). If you enroll after the first day of practice for these time frames, you must email frontdesk@umdgc.com to receive a free open workout pass.
