<b>Discounts</b>																									
Discounts are available only through UMDGC/UMAS. Customer must notify the staff member prior to starting the transaction of the discounts in which they believe they are eligible for. Percent discounts are taken after all dollar amount discounts and prorating have been applied. Discounts apply only at the time of registration; previous registrations are not eligible. Discounts are only available for online and in-person registrations; phone registrations are not eligible for the discount. Non-paid registrations (e.g. alternates on UMAS) and pay-as-you-go programs do not count towards nor are they eligible for																									
Add-A-Class (50%) Starting the second week of each gym session (gymnastics, tumbling, parkour, circus arts, parkour, etc), enrolled participants may register for additional classes in the same session at 50% off. Fees will be prorated for missed classes, but no other discounts apply.																									
Early Registrations (5%-15%) Receive a discount when you register early for select programs. Discount amounts and deadline dates are listed on the schedules.																									
Employee (20%-25%) UMDGC employees scheduled to work a minimum of one hour per week are eligible during the session or week of camp that they are working. This discount is in lieu of the family discount. The employee receives 25% off and all family members living in the same household receive 20% off.																									
Family (10%) Receive 10% off the total fee if two or more participants in the same household register for classes and team programs concurrently. Campers from the same household who are enrolled in camps concurrently are also eligible for a 10% discount.																									
Military (10%) Receive 10% off if the participant or the participant's parent served in the military. Valid proof of service must be submitted at time of your initial registration.																									
Multiple (10%-50%) Receive 10% off when the same participant registers for more than one gym class and/or dance class. Registrations may be for different sessions but must be done at the same time, except in the case of team members. Team members who are concurrently enrolled in both a team and class will receive 10% off classes. There is no discount on team tuition unless they are members of multiple teams. If a dancer registers for three or more concurrent dance classes, the first two classes receive 10% discounts and all additional classes are 50% off. 50% discount applied to lowest priced classes. No other discounts apply on those receiving 50% off.
