FEE DESCRIPTIONS

TUITION	Tuition covers rent, utilities, other forms of overhead, payroll for regular and extra practices, liability insurance, and mandatory summer skills camp for Elite and Worlds Teams. Total expenses for the season are divided into equal monthly installments that are non-refundable for any reason after each listed deadline. The only discounts available are: early registration (5% by June 2), employees (25%), military (10%), and Level 6 tumbling skills (up to \$40 starting in September).
COMPETITON FEE	Covers all of the expenses related to competing: coaches credentials & background checks, program membership fees to USASF, bows/scrunchies, materials related to all star competitions, choreography, music, Spirit Gift Fee, registration fee for regular season competitions, coaches travel fees for all regular season competitions, and other competition-related expenses. Competition Fees are non-refundable for any reason after the listed deadline. Tentative schedule will be released in late summer and "final" schedule in - mid-fall. If a competition is canceled, the fee will be deducted from the amount owed for postseason competitions. If the cheerleader is not attending postseason competitions, you will be eligible for a refund at the completion of the season.
UCA COMPETITION FEE	THE LISTED PRICE IS THE FEE FROM UCA 2024. The UMAS Elite & Worlds teams will be attending UCA All Star Championship at the Walt Disney World Resort in March 2025. The cost for the coaches' travel is incorporated into the competition fees, but a separate fee will be paid directly to UCA for the registration and/or hotel accommodations. Pricing will be released by UCA in October and an informational meeting will be held afterwards. It is the parent's responsibility to register their cheerleader by UCA's deadline once notified by the UMAS Staff.
POSTSEASON COMPETITIONS	LISTED PRICES ARE FEES FROM 2023-24 SEASON. DATES AND PRICES ARE APPROXIMATE AND WILL DEPEND ON WHEN AND TYPE OF BID RECEIVED. Bids to Regional Summit, Summit, and Worlds must be earned by each at a regular season competition. Summit and Worlds qualifying cheerleaders will be responsible for paying for a 3- to 4-day hotel package to Varsity and/or USASF by the deadlines listed by the competition hosts. UMAS will handle the payments for Regional Summit. In addition, a fee will be due to UMAS to cover expenses related to these competitions: sendoff, extra practices, practice attire, and processing fees for the registration/rostering process. However, the UMAS Booster Club has been able to fundraise enough to cover these latter fees in the past and they are hoping to do so again in the upcoming season. This fee is not included in the Automatic Payments.
UNIFORMS	PRICES LISTED ARE THE AVERAGE PRICES FROM 2023-24 SEASON. THE ELITE TEAMS WILL BE RECEIVING NEW UNIFORMS FOR THE 2024-25 SEASON. Each cheerleader must purchase a uniform for each team they are a full or crossover member prior to the ordering deadline. Cheerleaders do not need to purchase items they already have that still fit correctly. Used uniforms may be available to purchased in the second or third seasons of use.
USASF REGISTRATION	Annual membership with U.S. All Star Federation. It is the responsibility of the parent/guardian/adult athlete to process the membership by the listed deadline. Fee is valid August 1 to July 31. Listed fee is the price from USASF for 2023-24.
MISCELLANEOUS EXPENSES	The PLs will occasionally ask for donations or contributions for coaches gifts, team bondings, parties for postseason bids, etc. These items are completely optional.
